

UTTARANCHAL  
UNIVERSITY

FOR THE EXCELLENCE WITHIN 'U'

**Uttaranchal University** has been established vide the Uttaranchal University Act 2012 (Uttarakhand Act No. 11 of 2013), Government of Uttarakhand.

The university has been constituted with the merger of Law College Dehradun (LCD), Uttaranchal Institute of Technology (UIT) and Uttaranchal Institute of Management (UIM).

Uttaranchal University is the leading educational group of India with innumerable students enrolled in different educational programs like law, engineering, management and information technology, at diploma, under graduate, postgraduate and research level.

University has put in place the world class learning resources which consist of the highly

experienced and qualified faculty, a proactive training and placement department, focused learning space in the form of lecture halls, computer centre, digital centralized library, laboratories, residential accommodation on-campus for boys and girls, separate mess for all hostels, sports facilities, cafeteria, multi-cuisine food court and Wi-Fi campus and 24X7 internet facilities.

Our top management team is led by the men of great academic and social standing who have philanthropic orientation, therefore the university is committed to social responsibility of awarding scholarships to state domicile and the meritorious students and creating excellence in the professional education and research.

University is housed on a vast area of more than 30 acres. Strategically located on NH-72.

Infrastructure of global standards and recipient of 'BEST INFRASTRUCTURE AWARD-2013'.

More than 5000 students pursuing different educational programs.

University has 16 Gold Medalists in Law, Engineering and Management programs respectively, 1 Silver and 1 Bronze Medal in all 71 merit holders.

Well placed alumni working as scientist in ISRO, Judges, practicing lawyers in Supreme Court, various High Courts, working as engineering professionals in MNCs and nationally acclaimed companies.

Centralized library fully computerized and Legal Research Library.

Proud recipient of 'BEST UPCOMING UNIVERSITY OF NORTH INDIA' award conferred by ASSOCHAM

#### Recognition of study programs by the following statutory bodies:

- Bar Council of India, New Delhi.
- AICTE, Ministry of HRD Government of India, New Delhi.
- UGC enlisted University.

### LAW COLLEGE DEHRADUN (LCD)

Law College Dehradun was set up in 2002. This is the first independent Law College in the State of Uttarakhand and pioneered the B.A.LL.B. five year integrated course in Northern India. Law College Dehradun has become a niche centre of learning in legal studies. Its alumni have done their college proud by securing high positions in the university examination and established themselves in successful careers, by practising in the Apex Court of the country, various high courts and district courts. Many of its students have qualified in PCS (J) and are working as judges and magistrates. Today Law College Dehradun has become synonymous with quality legal education.

### UTTARANCHAL INSTITUTE OF TECHNOLOGY (UIT)

This premier institute came into existence in 2006 for engineering programs. Uttaranchal Institute of Technology is offering wide range of diploma, under graduate, post graduate, integrated dual degree and research programs in engineering studies. Its alumni have been placed in leading companies of the country and abroad. Uttaranchal Institute of Technology students have bagged Gold Medals for securing highest percentage of marks in the university examinations. Today UIT has become a name to reckon with.

## GLOBAL FACILITIES

**Uttaranchal University is an educational oasis.**

- Uttaranchal University has achieved the unique distinction of running over fifty courses at under graduate, post graduate, doctoral level and diploma programs in the multi disciplinary field, through its well known faculties.
- The faculty selection at Uttaranchal University is a careful and much deliberated process to ensure that the persons with outstanding academic credentials, industry experience and well versed in the teaching methodologies are handpicked for the faculty positions.
- The aim of Uttaranchal University is to provide quality based scientific research and expand knowledge, provide directions for education, develop values and form the basis for the development of society.
- The campus provides all the amenities of an urban campus and is meticulously planned. The infrastructure aids in providing the host of inputs for education and extracurricular activities. We have built state-of-the-art workshop, well equipped experimental setup under all the branches of engineering.
- Computer lab has over 800 machines with latest software tools, fully net-live. WI-FI Campus.
- Central library supports

University in building excellence in academics and research.

- University has built up a state-of-the-art language lab with 500 desk tops and gadgetry.
- Well furnished boys and girls hostels with all amenities along with separate mess. There is provision for single room, double room, three bed and four bed room. Hostel common rooms are fully equipped with HD TV network, indoor games, news papers and laundry staff. The mess staff takes special care to plan out a weekly menu that satisfies the vegetarian and the non-vegetarian taste.
- Scholarships and Freeships for high academic achievers.
- **Medical Facilities:** To provide immediate medical attention to the ailing students, university has tie-ups with the best hospitals of the district. University has ambulance van to reach the sick students to hospital. Students are covered by comprehensive medical insurance to meet any untoward exigencies.
- **Cafeteria and Multi Cuisine Food Court:** University has set up a Nescafé joint and an open air multi- cuisine food court which serves continental and Indian dishes.
- **Transport:** University provides transport facility to its day scholars, faculty and staff members on nominal charges, through its luxury buses.

- **State-of-the-art Moot Court:** Law College integrates class room learning with practical sessions in Moot Court. Legal education through class room learning and moot court participation stimulates the learning zeal of students.
- **Training & Placement Department:** The placement department of the University looks after the placement and training activities on full time basis. The department is run by senior professionals and placement executives who have many years of experience in arranging placement and have links with the recruitment department of reputed companies. Placement department of the University plays a vital role in matching the academic excellence of the students with industry expectations.
- **Recruitment Partners:** We have placement collaborations with CII, WIPRO, Dexler Information Solutions Private Ltd provides SAP Training and Placement to SAP trained students and Computer Society of India.
- **Extra and Co-curricular Activities:** We aim at all round development of the students and leave no stone unturned to encourage our students to participate in sports activities and seminars, conclaves, mock parliament sessions, quiz competition, cultural fests.
