MESSAGE

FROM THE VICE CHANCELLOR

O.P. Jindal Global University is recognized not only as a leading university, but also as a pioneering benchmark institution in the development of private higher education initiatives. The vision of the University is to promote global education across different disciplines. In the last few years, the University has witnessed remarkable developments related to teaching, research and institution building.

The programs at JGBS have established substantive international collaborations with multiple world-class universities to offer intellectually engaging and professionally relevant learning. The faculty members bring together a wealth of experience from academia and research, business and industry, government and inter-governmental organisations, as well as the civil society. The curriculum and courses covered bear in mind the need for management education to remain oriented towards problem-solving and to build leadership for addressing global business challenges.

PROFESSOR (DR.) C. RAJ KUMAR

Vice Chancellor O.P. Jindal Global University;
LL.B. (Delhi), B.C.L. (Oxford), LL.M. (Harvard), S.J.D (Hong Kong)

MESSAGE

FROM THE **DEAN**

Welcome to the Jindal Global Business School (JGBS) at the O P Jindal Global University (JGU).

As part of a world ranked university, we are deeply committed to not only deliver contemporary and industry-relevant management education but also to provide an ecosystem to our students helping them build and enhance their knowledge-base, skill-set, personalities and eventually transform them into future-ready managers, leaders and entrepreneurs who can make a positive and substantial impact in the world. JGBS is uniquely positioned in multiple ways to provide an unparalleled experience to our students.

First, interdisciplinarity is at the very core of our thought process not only at the business school but also at the university. JGBS students have access to numerous courses offered by the nine other schools of JGU, giving them options to study elective courses in varied areas including law, liberal arts, international affairs, journalism, architecture and psychology. Second, our global network of partnerships, with around 80 leading universities and business schools worldwide, ensures that JGBS students have access to exciting short- and long-term international mobility options spread across five continents.

Third, our faculty student ratio is among the best across business schools in India. Additionally, our faculty members have doctorates from some of the leading universities and business schools in India and abroad. Finally, JGBS is a research-intensive business school and its faculty members regularly publish their research in top ranked peer-reviewed management journals. Our Jindal Journal of Business Research (JJBR) is a peer reviewed management journal published by the SAGE publication. The school has a thriving entrepreneurship ecosystem and our incubation centre, the Startup JGU Innovation Lab, is the epicentre of this entrepreneurship activity.

If you are seeking a quality management degree programme which will adequately prepare you to not only compete but thrive in today's dynamic business environment, I can assure you that JGBS should be your top choice.
