OUR MISSION

“To Succeed in Your Mission,
You Must Have a Single Minded Devotion to Your Goal.” – Dr. Abdul Kalam

The goal of our revered institution stands on the pillars of quality teaching and learning, deprived of which, the progress and development of any child is fractional. Through the medium of research and outreach plans, rendezvous of the pupils with many renowned people across different fields, the institution aims to create, convey, and apply the available knowledge to expand the personal growth of the students. Another important aspect which the institute refuges is the advancement in the social and community development which would, in turn, lead to an improved quality of life.

Paying heed to the leading scenario which points towards increased level of competitiveness in the modern world, our institution provides a holistic environment to the students for their overall development.

OUR VISION

To foster learning and achieve excellent standards of quality education keeping in pace with rapidly changing technologies and best practices.

“**EDUCATION**
with a
PURPOSE”

About PODDAR Group of Institutions...

Poddar Group of Institutions, a synonym of vibrancy, dynamism and enriched positivity begun with its journey way back in 1998 under thought-provoking vision of Dr. Anand Poddar. Concretely, "Education with a Purpose to Shape a Better Future" remains the mainstream motto of the group. With advent of industrialization and ever increasing demand of professionally trained skilled youth, our core focus has been to conceptualize the ideology what lies beyond academics; skill development, entrepreneurship and eco-system nurturing leading to generation of self-sustained youth of "New India".

The journey of a thousand miles begins with a single step. But it involves deliberation and much hesitation. The magnificent journey of Poddar Group of Institutions however began in 1998 with a surge of enthusiasm that, in itself, makes a poignant tale. It is an inspiring tale and in the words of the founder of Poddar Group, Dr. Anand Poddar, it says:-

"In spite of being from a business class family, I was working as a trainer because the want to strengthen the Youth was always in the back of my mind. Even in the 5th decade of India's independence young graduates were struggling to even get a job. Specialization in every sector was being introduced in India. I figured out that the lack of significant and innovative programs were the reasons. My heart cried out to see that the Youth with so much potential aren't getting what they deserved.

That was a golden instance where Poddar Group was formed with an aim to foster learning and achieve excellent standards of quality education keeping in pace with rapidly changing technologies and best practices."

Thus the institution was founded to bridge the gap by emphasizing on value-based programs to make students corporate ready; and train them for even startups.

The Group has been envisioned to impart Purposeful education initiating from the preliminary school education, various UG and PG programs to high end

research programs (Ph.D., Incubatee Technical Support Programs) thereby catering to both industry specific and employability options encompassing multiple facets of divergent disciplines. The Group focuses on Best Innovative Academic practices reinforced with student mentoring, learning and support activities through various Clubs and Cells. Our Alumni are carrying the rich values and virtues imbibed making us proud by scaling newer heights in different facets of the careers.

Poddar International College (Affiliated to University of Rajasthan, Jaipur; approved under section 2(f) and 12(B) of UGC Act 1956), being one of the premier institutions of the group is centrally located in the vicinity of Jaipur and equipped with all the major amenities. The college has been accredited by NAAC (An Autonomous Institution under UGC). Additionally, to add to its academic journey, it has been a recipient of some exceptionally prestigious awards like "Best Upcoming Higher Education Institute of Rajasthan" conferred by ASSOCHAM, Ministry of Human Resource Development, New Delhi. It has been ranked among top positions in Rajasthan by the India Today - Nielsen survey for its excellence not only at academic up-front but also at Research and Development, Skill Development, Extension Activities, Women Empowerment, Corporate Social Responsibility (CSR), Science Popularization and Outreach and Community Programs. It is among the few Institutes in Rajasthan to be shortlisted for NIRF (National Institute of Ranking Framework), under Govt. of India for the top ranking colleges of India. Recently, the college has received a major project from Department of Science and Technology, Government of Rajasthan, Jaipur to establish Biotechnology Business Incubation Centre. It has also signed MoUs for student exchange programs, internships and trainings with Top Universities, Institutions and MNCs. The college is focusing on skill enhancement of the students with Research oriented learning. And therefore it has joined hands with the Rajasthan ILD

Skills University to develop the required skill set as per the needs of the Industry.

AICTE approved and Rajasthan Technical University affiliated "Poddar Management and Technical Campus", has to its accolade 3rd rank in Rajasthan amongst top 150 B-Schools (including IIMs) in a survey conducted by Times of India. The campus of this premier business school is located in Vatika, Tonk Road, Jaipur with the spiritual lush green surrounding and eco friendly Solar powered infrastructure backed by DELNET library and Hi-Tech buses for conveyance.

The College has set up a benchmark to prepare students for upcoming challenges in the corporate world by equipping them with SPSS, Business Analytics, Financial modeling and IT based solutions. At the same time they are exposed for new generation entrepreneurship through its Incubation Centre guided by mentors and corporate leaders.

The learning pedagogy not only involves teaching through digital learning platforms such as Google G-Suite, NPTEL, various digital learning platforms and portals but also through Case Studies, Video lectures, Market research projects, Internships, Workshops, Field surveys, Live projects and On the Job Trainings (OJT).

Poddar Management Training Institute, a B.Ed. college approved from NCTE and affiliated to University of Rajasthan is focusing on the qualitative and innovative teaching methodologies and experiential and research oriented learning to ensure right mentoring of the students. The campus is located in Vatika, Tonk Road, Jaipur.

Poddar Group of Institution has taken the next step in the field of Pharmacy by establishing Poddar International College of Pharmacy from Session 2019-20 with a intake capacity of 60 seats in D.Pharm Course. The Course is approved by All India Council of Technical Education (AICTE) and Pharmacy Council of India (PCI), New Delhi and affiliated to Rajasthan University of Health Science (RUHS), Jaipur. The faculty members of the college include eminent educationalist and qualified professional in the field of pharmaceutical and medicine industry and have sound infrastructure with high-tech labs.

With this note, we welcome you all to enriching world of excellence, competency, integral learning, innovation driven aptitude, technical mentoring and above all an insightful personality development.

Chairman's Message

“ Education is magnificently important to humanity and is the basis of all the progress processes. With this idea in mind, to create new frontiers of knowledge and to nurture the talents, we began our voyage in education, about 21 years ago.

Our endeavor at Poddar Group of Institutions is to strike a balance between state-of-the-art infrastructure and internationally acceptable value based education. We believe in personalized growth of every student's professional, academic and leadership development through innovative, progressive and industry oriented training; which enhance practical knowledge, develop technical skills and personify professional attitude. Here the young minds are bred bustling with self-confidence, skills, knowledge and experience to take up challenges of latest developments in their professions.

Welcome to the passionate, professional, compassionate learning culture and to a warm academic community.

Dare to dream, put in the best effort, enjoy the journey and reap the reward! ”

Dr. Anand Poddar

Chairman & Group Director

President's Message

Poddar Group of Institutions has been established with a vision where we are committed to meet our social responsibilities, while setting high standards for all our stakeholders.

We create a community which is vibrant and provides a lifelong learning experience and professional development.

New innovations and updated curriculum that is designed to cater the present needs are the unique features of this institution. It reflects our vision and our commitment to the society. We congratulate you on being a part of the Purposeful Education.

Sh. H.M. Poddar
President

Educating THE MIND
Without Educating THE HEART
Is No EDUCATION At All...

-Aristotle

Director's Message

As we welcome you, the future leaders and productive citizens of this nation, I would like to stress on our motto "Education with a purpose". Right from the inception, we follow the design, which epitomizes grooming young minds, and hearts as well- rounded future leaders through holistic development bringing forth their moral, ethical, human values so that they develop a multifaceted personality of character and confidence with a deep rooted passion in pursuit of excellence.

Over the years, we have excelled and maintained an utmost academic standard incorporated with the conduct of discipline and persistent effort, thereby achieving remarkable and excellent results. We aim to support students in achieving their golden ambition through discipline, active participation, knowledge seeking approach and, guidance of dedicated and efficient faculty members.

I wish all the very best to all the aspirants, "Our aspirations are our possibilities." Keep aspiring, keep achieving.

Mrs. Roopal Poddar
Director

EDUCATION
is not
PREPARATION
for life
education is
LIFE itself...

Secretary's Message

The comfort and health of the student community, both mental and physical, are given utmost importance. We fulfill the dreams of the students and parents in offering excellent education at affordable cost. The focus of education is empowering the marginalized; how the common could become the entire eminent and the brilliant; how the marginalized could become the empowered; how the receiving end could become the centre of command.

Dr. S.S. Mathur
Secretary, Poddar Sansthan

CEO's Message

I have the immense pleasure to announce that Poddar Group of Institutions is now entering the Twenty First year. Our motto has been "Education with a Purpose".

We believe in creating maximum number of opportunities for the student. We have the Management Accountancy Program at International level through strategic partnership at one end and pursuing research based projects in biotech and life science at other end.

I am confident that our upcoming endeavor in Technology and Management in the form of our university will be the guiding force to foster the academic excellence by nurturing the skills and talents of the students.

Sh. P. C. Gupta
CEO, Poddar Group

Principal's Message

Education plays the most vital role in shaping personality and contributing in strengthening the society resulting in growth of a country. In a democratic country with high youth population like India, it plays a great role in reaping the dividend of democracy. Poddar Group of Institutions, understanding its contribution in growth of country, works with the vision of purposeful education and focuses on shaping the mind and personality of the young generation to become good citizens and a successful professionals in global context.

I welcome you to Poddar Group of Institutions and wish that this new beginning at Poddar is filled with hopes and dreams of scaling new heights, hard work, dedication and perseverance which will lead you to success. The future belongs to you therefore, you need to prepare yourself for an active participation in the world.

May this journey be empowering.

Dr. Praveen Goswami

Vice Principal's Message

Our College is proud of its "Students First" philosophy and we feel great reward when students succeed. We know that students thrive in high quality instructional programs when they are sufficiently resourced to meet life's challenges. Poddar represents a college wide effort to strengthen student services and enhance community partnerships in order to increase available resources supporting student success.

It is a multi-disciplinary institution and this also ensures that the students have ready access to a wide range of academic material. Sports and other co-curricular activities are encouraged and the students are given every form of support to develop their talents in all fields. Our brand of education does not have narrow horizons, we believe in exposure. Our students are encouraged to widen their knowledge base and study beyond the confines of the syllabus. This is evidenced by the extensive library facilities in the college, both physical and virtual.

Dr. Meenu Mangal

Principal's Message

Welcome to Poddar Management & Technical Campus, a milestone of academic excellence and extracurricular performances which has enlarged and enriched Rajasthan's educational map.

Our commitment to provide a safe and intellectually challenging environment that will empower students to become innovative thinkers, creative problem solvers and inspired learners prepared to thrive in the 21st century. Poddar Management & Technical Campus has imparted quality education. The College has set up a benchmark to prepare the students for the upcoming challenges in the corporate world equipping them with the SPSS, Business Analytics, Financial modeling, and IT-based solutions.

With Best Wishes and Blessing for the upcoming session!

Dr. Payal Upadhyay

Principal, Poddar Management & Technical Campus

“We cannot always build the future for our youth, but we can build our youth for the future”. Remember “The reward of every good action will be good only”.

Poddar Management Training Institute has an extremely strong and proud culture of excellence in all aspects of a student's education.

It has been a hub of arrays of activities filled with excellence and achievements. We feel proud to provide quality education by equipping our students with skills, confidence and a positive approach with all round development. The college is relentlessly striving to perceive and maintain academic excellence at the same time encourages the students to participate in various co-curricular and extra-curricular activities.

Dr. Harsh Kumar

Principal, Poddar Management Training Institute

In the growing period, as India is developing at an advanced level, health issues are also increasing. We know that health care is an integral & most important part of any society. To keep these scenario in mind Poddar group of Institutions has introduced Poddar International College of Pharmacy that provide a platform for the students who want to support our society in terms of health care.

We are committed to provide skillful & well trained pharmacist to improve the health care need of our society. We always encourage the students to explore their capacity for the human care.

Our main aim is to achieve excellence amongst students by providing them high quality education.

Mr. Avinash Gupta

Principal,
Poddar International College of Pharmacy (P.I.C.P.)

AFFILIATION

UNIVERSITY OF RAJASTHAN

The University of Rajasthan holds the distinction of being the oldest and the most valued Institution of Higher learning in Rajasthan. It was established as Rajputana University on 8 January 1947 and was recognized since its inception under section 2f and 12B of UGC Act. In the year 1956, the Rajputana University was renamed as the University of Rajasthan. Today it is the University with Global competence catering excellence in education in various disciplines & high quality research.

RAJASTHAN TECHNICAL UNIVERSITY

Rajasthan Technical University (RTU) is located in Kota in the state of Rajasthan. It was established in 2006 by the Government of Rajasthan to enhance the technical education in the state. The University provides quality technical education which may help Rajasthan in its technical development and will boost technical environment in the country. The University offers almost all the disciplines related to technical education including Bachelor of Technology, Master of Technology, Master of Business Administration, Master of Computer Applications, and Bachelor of Hotel Management and Catering Technology.

RAJASTHAN ILD SKILLS UNIVERSITY

RISU has been incorporated as Rajasthan Government State University vide Act No. 6 of 2017. RISU is an effective institutional intervention to implement National Skills Qualification Framework in the State. Being a Government University, RISU is the affiliating body for a large number of institutions operating in skill and vocational training. RISU aims vision of promoting excellence in Skill Education in an integrated and holistic manner and mission to emerge as one amongst the foremost institutions of quality in Skill Education recognized at National and International arena.

RAJASTHAN UNIVERSITY OF HEALTH SCIENCES (RUHS)

Rajasthan University of Health Sciences (RUHS) was established under the Act of State Government "The Rajasthan University of Health Sciences Act, 2005" (Act No. 1 of 2005) on 25th day of February, 2005. The University aims to disseminate and advance knowledge in medical and health sciences. The University provides academic and research facilities in various streams to the students studying in various Government Colleges (Medical, Dental, Nursing, Pharmacy & Paramedical) and private colleges/institutions affiliated to this University. The University endeavours the process of making itself a leader in world class medical education by focusing on the systemic instructions, teaching, training and research activities.

DEPARTMENTS & COURSES OFFERED

DEPARTMENT OF SCIENCE

Science is a systematic enterprise that builds and organizes in the form of testable explanations and predictions about the universe. Department of Science amalgamates a vast blend of academicians, researchers, industrialists and technocrats from divergent disciplines like Botany, Zoology, Chemistry, Physics and Mathematics. Additionally, all the specialties are equipped with state of art infrastructure, in-house library, techno-savvy environment, centralized incubation facility

and conducive learning environment. Traversing the path from under graduate studies, post graduate studies until high end doctoral programs remains the mainstream. With core specialization in different allied disciplines, these domains offer in-house research projects, capacity building programs, techno-cultural events, academia-industrial interaction to ensure 360 degree development of an aspiring candidate.

Industry Speak

I have had this opportunity to visit Poddar Group of Institutions, Jaipur for a couple of times. Each time, it was a great experience seeing an institution growing with a very honest vision and mission of imparting quality education. I am happy to know that this prestigious group is entering 21st year. My hearty best wishes.

Accreditation by NAAC is yet another achievement not enjoyed by many a colleges. I am happy to be associated as a member of its Advisory Board and assure the management to extend all possible academic support in my capacities. Best wishes once again for the group to touch still greater heights.

PROF. (DR.) M. M. SAXENA

Vice Chancellor Tanta University
Shri Ganganagar Rajasthan

It is a moment of immense pride for me to share my experience with Poddar Group of Institutions, specially Chairman, Dr. Anand Poddar. This institution has a positive vision not only in terms of higher education but also in terms of research driven entrepreneurship. I am looking forward to have them associated in future Israel delegations in digital healthcare, agriculture, education and environment sector. I wish them good luck in their future endeavors.

MR. TEJINDER SINGH

Senior Trade Officer-Healthcare
Economic and Trade Mission,
Israel Embassy, New Delhi

Student's Speak

KAMAL HARWANI

B.Sc (2013-16)
M.Sc Mathematics, IIT Hyderabad

My college life at PIC was the most amazing period of my life. I absorbed a lot of knowledge and wisdom from this institute, and it taught me to think with an open mind. The teachers here motivated me at each and every step, guiding me towards a path of success. I am thankful for their support and guidance.

KRISHAN KUMAR

B.Sc (2015-18),
Director & Founder,
Go Physics (Thegophysics.Com)

I am very glad to share a positive journey of B.Sc. at Poddar College. Here the atmosphere is full of motivation and innovation. All the faculties are enthusiastic and always ready to help. Because of hard working teachers & support of management, I started my own earning at age 20. I am founder of Go Physics (A social educational platform). All credit goes to all teachers of Poddar College.

POONAM MENARIA

M.Sc. Chemistry (2012-14)
Production Planner, Hindustan Zinc Ltd.,
Vedanta Resources Plc

Master program at Poddar international college enormously contributed to both my career vision and opportunities. There is very cooperative and supportive faculty and good infrastructure. My life at College made me stronger and took me a step ahead for being an independent woman. I am thankful to all the teachers who support me and helped me in making a brighter career.

NIKHIL MATHUR

M.Sc. Chem. (2010-12),
Preventive Officer, Custom Department,
Mumbai (Central Govt.)

I am very lucky as I Completed my PG (M.Sc.) from Poddar International College. As many things I learned there, like; subject knowledge, practical exposure etc. Poddar Group gave me best faculty members as mentors and best study environment to develop my career. I can say that they gave direction to my career and as a result, I am working as a preventive officer in custom department at Mumbai. Thanks Poddar group. I really miss my days there.

CHIRAG JANGID,

M.Sc Biotechnology
(2011-2013) Biotechnologist,
Production Department,
Proliant Biological Limited,
New Zealand

It is really a great moment to go through old memories, I made at PIC campus. I came to Jaipur for my Master's degree and after long or extensive search, my uncle suggested me about PIC and I started here as a P.G. student. I spend here 2 years; I became Mr. Fresher from my batch. It was great achievement for me. I learned a lot from my faculties in field of science. I would like to say thanks to the Chairman Shri Anand Poddar sir who taught us values of time and life by organizing various motivational seminars. Thanks PIC for giving me such a wonderful platform. Being proud alumni of PIC, I welcome you at PIC and wish you all the best for future endeavors.

MOHIT SAINI

M.Sc. Zoology (2017-19)
Faculty,
Allan Career Institute, Kota

Poddar international college is a place of learning, fun, culture, lore, literature and many such life preaching activities. Studying at the Poddar College brought an added value to my life. It gave me an opportunity to meet different kind of people and learn a number of things. I have received a great support from faculties & placement Cell. I am thankful to Training & Placement cell for providing a platform to enhance my skills and an opportunity to showcase them.

MONA BHARARIA

B.Sc. 2015-18,
IIT JAM Math
2018: AIR-13

I would cherish the days of belongingness with "Poddar International College". It was a journey which has enhanced my personality and groomed me at many phases. I got a disciplined environment and learnt a lot from the faculties here. They were very supportive and encouraged us to grow up in our lives in all ways. It is extremely overwhelming to have lived in such a friendly ambience.

DEPARTMENT OF ARTS

Arts and Humanities include the restraints of ancient and modern languages & literature, Culture, history, thought process, visual and performing arts. These restraints explore, share and recreate, utilizing of the human experience. It is a difficult task to define Humanities or Arts- it is an academic discipline which deals with the study of the human condition, utilizing practices that are usually logical, acute or hypothetical. Arts/Humanities are considered as two of the oldest fields of knowledge awarded to man.

Arts or Humanities is a very assorted stream and mainly deals with subjects like Hindi Literature, English Literature, Economics, Geography, Sociology, Psychology, Political Science, History, Public Administration, Textile Design, Music, Dramatics & Philosophy and Drawing & Painting.

UNDER GRADUATE

BACHELOR OF ARTS

Geography, Political Science, History, English Literature
Hindi Literature, Public Administration, Textile Designing,
Music, Drawing & Painting, Dramatic, Psychology, Economics & Sociology
Eligibility : 10+2
Affiliated to the University of Rajasthan

Career Opportunities...

The career prospect for those who belong to this stream of study is unbounded. Industry Speak

In this era of limitless opportunities and competition, it is of paramount importance to be equipped with knowledge, habits and attitudes leading to holistic development. They not only inculcate ethical and moral values but also make students good human beings and confident leaders. I intently believe Poddar Group of Institutions provides the right environment for comprehensive development.

The institution has seen remarkable growth since its inception. By promoting learning, research, creative activity and professional responsibility, it has contributed to the good of the community. I extend my support to the institution in its mission to prepare students for leadership roles in local, national, and global communities. I hope our efforts will promote the lifelong learning that makes our students and alumni successful in a wide variety of careers and universally respected by employers and the society.

PROFESSOR RAJKUMAR

BHU, Varanasi & Visiting Professor, Ghent University, Belgium

Education is most powerful instrument to improve society. Those who have committed themselves to spread knowledge and wisdom are carrying the most important responsibility on their shoulders. I am pleased that Poddar Group of Institutions is carrying that responsibility sincerely and successfully.

I would like to convey to students that they are indeed blessed to get education at one of the best institutions of Rajasthan. This is the time to devote themselves completely to achieve the best in education and learning. Always remember that hard work, politeness, broad and accepting mindset and highest regards to your faculty members are the key ingredients to success. I wish you all the very best for your journey ahead.

PROFESSOR RAJIV GUPTA

Former Professor and Head Dept. of Sociology, UOR

Student's Speak

MANUSHREE GAUTAM

BA III Year
Batch 2017-2020

I thank Poddar International College for giving us healthy environment, guidance and encouragement. I learnt a lot from the faculties (especially Arts) here. They are very supportive. I am grateful to all my teachers and professors specially I want to thank Sneha Sharma ma'am. I am really inspired by her. Best wishes to college.

DIVISHADA SHRIMALI

MA English Literature
Batch 2018-2020

Poddar International College is one of the best private colleges in Jaipur to study and gain academic knowledge. The faculties and staff are very humble and friendly. The campus is very neat and clean. The library is so enriched with various literature stocks. Apart from academic perspective the college organizes various curricular activities through the academic year. College organizes annual fest "MANTHAN" which gives platform to the students to show their caliber and talent.

DEPARTMENT OF MANAGEMENT STUDIES

The Management programmes at Poddar Campus, keeping long term goal and education, prepare students for fruitful careers. The application based education structure mentored by renowned experts of education and industry across the nation, provides practical knowledge which allows creating entrepreneurs and leaders. The students of our campus move out as leaders ready to explore the real business environment and make them stand with distinguished skills in the world. Our management specialists teach the students survive and explore the complex business environment and to become leaders in their domain.

Management Discipline is classified at Poddar into Bachelor of

Business Administration (BBA) and Master of Business Administration (MBA). The disciplines at Bachelor and Master level provides theoretical and practical training to help candidates gain a better understanding of general business management functions and also provides a strong foundation in core business disciplines, helping students to acquire the key competencies.

In today's competitive world where everybody wishes to become an entrepreneur, BBA and MBA courses help students to think more precisely on different aspects of running a business and helps in building tactical skills.

Industry Speak

Education is the premise of progress for every nation. It is an investment in human capital that pays rich dividends for the individual, family, society and the world at large. I am proud to be associated with one of the most forward-looking and student-centric educational institutions of India, Poddar Group of Institutions. The dynamism and vision of the institution is reflected in the student body, faculty members, academic programmes and research orientation. By encouraging students to think in creative and innovative ways, the institution grooms them for a variety of meaningful and rewarding career opportunities.

Poddar Group has been making remarkable contribution to the field of education over the years and I extend my wholehearted wishes and support for the future. I hope that with our efforts we will continue to promote academic, creative, and professional enrichment for future generations.

DR. N. PANCHANATHAM

Professor, Department of Business Administration, Annamalai University

Over the years in the field of education, I have been privileged to be associated with Poddar Group of Institutions. Education with a purpose has been the overarching philosophy of the Group. We are continually transforming the infrastructure and facilities to improve upon education. Through innovations in pedagogy, curriculum design and research focus, the institution has gone from strength to strength. The Training and Placement Office with support from trainers and faculty members has been readying students to take up leadership roles in a variety of streams and industries. We are moving forward to innovate with latest advances in research and introducing new relevant programs and departments to keep pace with global trends.

DR. SANJIV MITTAL

(Government of India)

The priceless knowledge that I imbibed in Poddar International College is my greatest asset. Thanks a lot to all my "GURUS". This college has a mesmerizing environment, that one feels comfortable the moment he/she enters the college.

JITENDRA PANWAR

Currently working in
IDFC FIRST BANK
as a Credit manager
BBA (2010 to 2013)

I have never seen a college like "Poddar International College". I cannot express my gratitude to the faculties and Staff. They help their students in various aspects of life, personally and professionally. Therefore, I consider myself as a blessed student as it gave my career a phenomenal turn. Roopal Ma'am helped me in every possible manner because of my dedication towards studies and I am proud that I proved myself to Ma'am. I feel fortunate to get admission in prestigious college of Rajasthan where a student get healthy environment to improve his life and overall personality.

HIMANSHI NANDWANA

(MBA 2017-2019)

Poddar Group of Institutions has a very friendly as well as professional environment. Being part of Poddar Management and Technical Campus for over 2 years during my MBA gave me a great exposure of practical as well as theoretical knowledge.

Faculties over here very cooperative and helpful and mentor you in every possible way. It has been a wonderful time for me.

DEPARTMENT OF COMMERCE

Commerce as a stream of education can be defined as a study of trade and business activities such as the exchange of goods and services from producer to final consumer. The main core subjects are Economics, Accountancy and Business Studies. Choose this field if you have a genuine interest in these subjects and have an affinity for numbers, the economy and business.

A Bachelor of Commerce is an undergraduate 3 year degree in commerce. The degree provides the students with a wide range of managerial skills and competence in an area of Commerce. There is never a shortage of jobs in this field. Student can explore numerous career options after obtaining the degree.

Master of Commerce is a postgraduate academic degree which is awarded after successful completion of two years program. The Master degree course includes the study of principles of accounting, economics theory, micro and macroeconomics, money and banking systems, knowledge about business, trade and its characteristics and policies involved etc. In the final year students opt for specialized study in any one fields of Commerce such as statistics, Taxation, Marketing, Accounting & finance, Banking & insurance etc.

UNDER GRADUATE

BACHELOR OF COMMERCE

Eligibility : 10+2

Affiliated to the University of Rajasthan

Career Opportunities...

(ABST / EAFM / BADM)

Eligibility : B.Com with aggregate 50% marks.

Affiliated to University of Rajasthan

Industry Speak

Creating an academic foundation for social, scientific, economic and technological development of our nation is a great responsibility. Helping the youth meet career challenges in an increasingly globalized environment is also a challenge for educators, parents and the society.

Poddar Group of Institutions is committed to foster in its students individual excellence and lay the foundation for future growth. To achieve these goals, the Group

MR. KONARK GUPTA

Equity Research Associate, Comark Securities Inc, Canada

inculcates development in all facets of life including academics, co-curricular events, holistic personality development and career orientation. I express my hope that all members and stakeholders will continue to provide unwavering support in taking this institution to greater heights. I thank faculty members, students and management for their commitment to the organization's vision of excellence in education.

Education is one of the greatest strengths of a society. Knowledge and skills are the driving forces towards excellence in the present global scenario. The education system plays an important role in a nation and it is a decisive factor in sustaining competitive advantage at the national level.

I am delighted to be associated with Poddar Group of Institutions with the philosophy of nurturing young minds with creative leadership and value creation. Over the last two decades the Group has made significant strides and has emerged as one

CS. SHYAM AGARWAL

National President, The ICSI

of the leading centers of excellence in education. Its strong linkages with academic and corporate leaders enable two-way flow of knowledge, talent and resources.

I convey my sincerest wishes to all members of Poddar Group of Institutions and wish students a journey of education filled with joy of discovery and enthusiasm.

It was a great journey at Poddar. Those three years gave a lot of golden opportunities to discover my hidden skills. I feel proud to be a part of Poddar family. I will be forever grateful to Poddar for defining my dreams and giving me life changing experience.

DEEPANSHI MAYANI

Customer Service Executive
ICICI Prudential
B. Com (2016-2019)

It's wonderful to share my experience of being a Poddarite. Studying at Poddar Group of Institutions has been one of the best decision I have made. Three years at Poddar were like a complete package for me as it nurtured me in every direction.

DEPARTMENT OF INFORMATION TECHNOLOGY

The world of Information Technology has witnessed remarkable growth in the last decade and it has created huge opportunities for the youth. These courses are one of the popular options to make a career in information technology. These programs are a blend of Computer Science, Management and Engineering courses. The idea behind this is to build the foundation of students strongly so that they can compete in the present global situation to meet the shortage of skilled human resource.

Bachelor of Computer Application (B.C.A.) is three year degree course with an idea to offer students with project-based learning, campus recruitment training for placement, exposure to IT world through industrial visits and working on live projects, well-

equipped laboratories with latest software, application, and practically oriented syllabus.

The Master of Science in Information Technology (M.Sc. I.T.) is a terminal degree program designed to prepare students for more highly productive careers in industry.

The post graduate program is designed to meet the growing demand for qualified professionals in the field of Information Technology. Degree is inclined more towards Application Development and thus has more emphasis on latest programming language and tools to develop better and faster applications.

UNDER GRADUATE

BACHELOR OF COMPUTER APPLICATION (BCA)

Eligibility : 10+2 with aggregate 48% marks.

Affiliated to University of Rajasthan

Achievements- applause, opportunities –thoughts, this is what I gained from Poddar International College. It gave me a platform that I will cherish always. Someday I won and some days I learned. It is a perfect blend of joy and hardships. You meet different people, you interact with them, and you learn about different culture and values and grow as a person.

FASHION DESIGN

Fashion design is a form of art dedicated to the creation of clothing and other lifestyle accessories. To work as a designer, you should have an artistic and creative personality. Fashion designer begins with an idea of how a garment should look, turns that idea into a design (such as a sketch), and specifies how that design should be made into an actual piece of clothing by other workers (from patternmakers to finishers). The category of fashion designer includes people at different levels of the fashion business, from well-known couturiers, to anonymous designers working for commercial ready-to-wear houses, to stylists. Fashion designers hold a special place in the world. Their talent and vision not only play a major role in how people look, but they have also made important contributions to the cultural and social environment.

Student's Speak

I am Bhumika Sharma student of B.Des Foundation learned and experienced a lot in this 1st year, which we couldn't even have expected. The classes are structured to address individual student's need to enhance our designing and creative skills. We have participated in so many events and also got advices from industry professionals. Also we explored the heritage of world craft city Jaipur as we were doing our final design project which is moreover connected to Amerfort.

I am Sunita Chhipa student of B.Voc Fashion Design at Poddar International College. I gained creative concept and practical learning. I got to know about industry and feel motivated too. Our department feels like a big fashion family and that is so unusual compared to other colleges. It is a unique experience where I learned so much from taking part and participating amongst other creative talent and also get advices from professionals from industry.

....I am Jaishree (M.Voc) thankful to the college as it provides me the opportunity for increasing my knowledge towards the designing criteria, i have got the chance for participating in fashion shows that helped me lot in increasing my confidence level. Teachers are too soft spoken, humble and are very coordinating with students and they helped a lot and solves the queries of students. Campus is too good as it provides the environment whatever i want...

INTERIOR DESIGN

Beautiful & classy interiors don't just happen. They are well planned & designed by qualified interior designers who combine their creative artistic skills to create beautiful functional spaces where people can work and live. Becoming a professional interior designer is more than just being creative. With formal education and training along with passion & determination of designing a splendid interior need a well-rounded education and the skills to work within many disciplines of architecture; graphic design; decorative arts; and textile, furniture, and lighting design. Today, interior designers work with contractors, architects, engineers, craftsmen, furniture dealers, and business and home owners. Interior design is a multi-faceted profession in which creative and technical solutions are applied within a structure to achieve a built interior environment.

Industry Speak

"Over the past decade or more there has been a continuous growth in awareness for design and its various disciplines or verticals. Being a practicing Architect for last 22 years, I have been a part of this journey and can easily state that of the various verticals of art and design, Interior Design is a field which has tremendous potential and offers bright career opportunities to students and aspirants. Although there are numerous institutes offering various courses in Interior Designing across India but only a few are focused on delivering quality education and I'm delighted that Poddar Group is one amongst them. I'm sure the students graduating from Poddar Institute will find themselves having a clear edge and defined skill set compared to their other contemporaries.

MR. ANSHUMAN SHARMA

Chairman Elect, IIID-JRC

Student's Speak

My self Aakanksha Mahawar, here at Poddar International College, I'm pursuing B.Voc Interiors. Faculties are very helping and supporting in every possible way to gain knowledge about design and enhancing our skills. We attended Creative workshops, regular site visits, social interactions through sessions and events and its good way to learn and develop our mind and proceed for a new world of creativity and design.

Myself Saloni Jindal, here at Poddar International College, pursuing B. Des in Fashion Design. I am extremely grateful for expressing my gratitude towards the college as it gave me the platform to start my career and pursue the path which I was looking for as it was not just about the infrastructure and ambience of our college but also the friendly, helpful & motivating nature of our faculty members. We have attended many creative workshops, regular site visits, social interactions through sessions & events. It's a good way to learn & develop our minds & proceed for a new world of creativity & designs. At the end, I would like to thank all the teachers & staff members for their guidance & support whenever I needed.

Myself Deepak Jangir, student of B. Des. at Poddar International College had so much knowledge of design and art since we joined, which we never have thought about. The campus is much like a design campus with exceptionally creative environment and inspiring faculties. We also have participated in so many design shows and gained experience about the design market and industry.

DEPARTMENT OF PHARMACY

The beginning of Pharmacy is ancient. The history of pharmaceutical education has closely followed that of medical education. Since the treatment of the sick with drugs encompasses a wide field of knowledge in the biological and physical sciences, an understanding of these sciences is necessary for adequate pharmaceutical training.

Pharmacy, the science and art concerned with the preparation and standardization of drugs. Its scope also includes the cultivation of plants that are used as drugs, the synthesis of chemical compounds

of medicinal value and analysis of medicinal agents. The science that embraces knowledge of drugs with special reference to the mechanism of their action in the treatment of disease is Pharmacology.

The Pharmacists are professionals in the field of healthcare with the specialized training to perform various roles to ensure good health of the society and to ensure the easy, safe, effective and affordable use of drugs. This is an evergreen profession by looking at the increase in demand of medicines day by day.

MANSAROVAR CAMPUS

DIGITAL SMART CLASS ROOMS

Our Classrooms are technology-enhanced classrooms that foster opportunities for teaching and learning by integrating learning technology, such as computers, specialized software, and audience response technology. All classrooms are well equipped with sufficient audio video aid. It provides eminence education to students through better concept formation, concept elaboration, improvement in reading skills and academics attainment.

LABORATORIES

Poddar Group provides state of art laboratories owing to which this group has created a reputé of its own in the field of academics and education. Well equipped laboratories with top notch facilities serve as an added boon for the aspirants which help them in exploring their subjects at a greater depth theoretically as well as practically. We have various categories of laboratories:

Science Labs - Zoology, Chemistry, Botany & Biotechnology, Physics, Research Lab.

Humanities Labs - Geography, Psychology, Drawing & Painting.

COMPUTER CENTRE

The primary goal of a well-equipped computer lab is to provide students with assistance that enhances their possibilities of succeeding in their assignments. The college has 2 high tech Computer Laboratories with more than 100 computers with advanced configuration, which are interconnected via high-speed LAN & internet services through wireless connectivity. Through this, they can build their hands-on experience and upgrade their learning skills..

DESIGN STUDIOS

Design Studios are creative spaces dedicated for teaching design, where students will transfer the thoughts of their mind and heart to necessary product or document. The institute has well equipped Garment Construction Lab, Textile Lab, Metal Lab, Interior, Fashion & Product Design studios for our Design students. These Studios help students in using their creativity to bring ideas to design & creativity. In addition it also trains a new generation of designers who combine profound scientific knowledge with creative skills, an entrepreneurial attitude and the ability to anticipate the social dimensions of new technologies.

DIGITAL LIBRARY & RESOURCE CENTRE

We have a well-resourced and spacious library which offers a large collection of national, international books and journals on Fashion & Interiors, Science, Management, IT, Commerce &

Arts which are available for students and faculties. The Poddar Group library collection includes more than 12000 books along with latest magazines, reports, subscriptions and other materials. The Library supports teaching, research and academic needs of students and other members of the Institute, through books, Journals and other reading material. We also provide audio-visual facilities to students and faculty members within library premises.

NDL: We are a member of National Digital Library of India – NDL is designed to hold content of any language and provide interface support for leading Indian languages. It is being developed to help students prepare for entrance and competitive examinations, to enable people to learn and prepare with best practices from all over the world and to facilitate researchers to perform interlink exploration from multiple sources.

DELNET – We are a proud member of DELNET (Developing Library network). Our objective is to promote resource sharing among libraries through the development of a network of Libraries. It aims to collect, store and disseminate information besides offering computerized services to the users and to coordinate efforts for suitable collection development.

BBI CENTRE (SUPPORTED BY DST, GOVT OF RAJASTHAN)

To encourage Self-Employment/Entrepreneurship amongst students, Government of Rajasthan has supported us in the establishment of Incubation Centre where we are mentoring and developing students to built their startups.

CONFERENCE & TRAINING ROOM

Our Conference & Training Room is ideal for meetings, seminars and training sessions and is well equipped with built-in data projector, overhead projector, internet services and interactive smart boards.

AUDITORIUM

Our Auditorium is setup with a seating capacity of 400 people and is equipped with the latest audio-visual equipment and projection screen. The auditorium is also used throughout the year for hosting various events like National and International Conferences, Group Discussions, Mock Sessions, Seminars, Conferences, Debates, and Cultural Activities.

CAFETERIA

Our cafeteria serves a variety of snacks and meals to the students, staff and faculty at moderate rates. It provides all types of nutritious and hygienic eatables and beverages.

TRANSPORTATION

College has its own buses & vans that cover all the main routes of the city. College provides pick up and drop facility to the students.

HOSTEL

College has separate hostel blocks for Boys and Girls. As the college campus is located in center of the city, there are many other comfortable accommodations also available for students nearby the college premises.

GYMNASIUM

Well equipped gymnasium is available within campus for students as well as faculty. Physical activity is good for your mental health. Experts believe that exercise releases chemicals in your brain that make you feel good. Regular exercise can also boost your self-esteem and help you concentrate, sleep, look and feel better.

YOGA

These centres help and enrich the student with enthusiasm and spiritual feeling. The student's performance is improved with positive attitude.

SPORTS

As they say "All work and no play makes Jack a dull boy" so Sports play a vital role in the growth of student. It helps in overall development of the students. We at Poddar give special attention to Sports so that students remain physically fit and healthy.

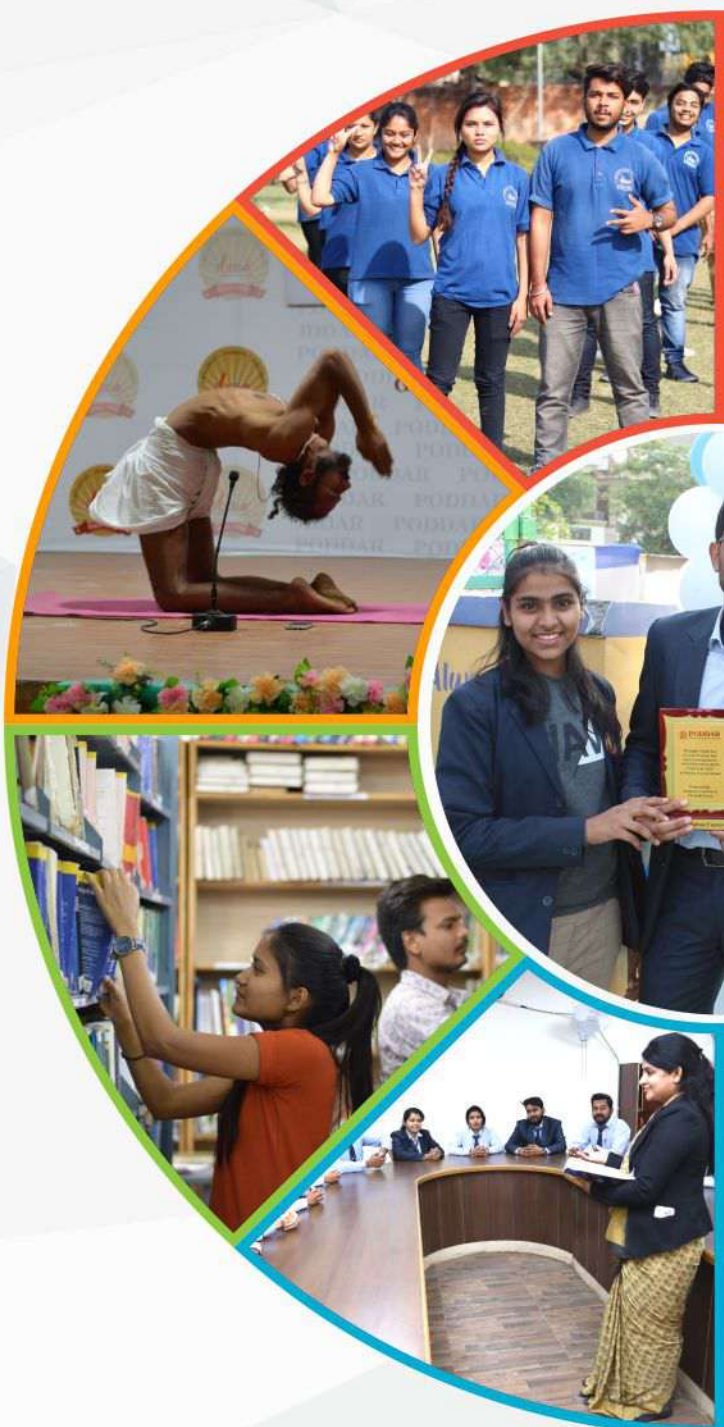

VATIKA CAMPUS

LIBRARY

The Poddar Group Library collection includes more than 12000 books along with latest magazines, reports, subscriptions and other education related material. The Library supports the teaching, research and academic needs of the students and other members of the Institute, through books, Journals and other reading material. We also provide audio-visual facilities to students and faculty members within library premises. We are also a member of National Digital Library of India – NDL & Developing Library Network – DELNET.

EDUCATION LABS

Our college has well equipped Educational Labs which enable the students to understand ways of conducting psychological experiments. They also help students to apply the knowledge of various psychological experiments and test in various situation.

COMPUTER CENTER

The campus has well-equipped computer lab to provide students with assistance that enhances their possibilities of succeeding in their assignments. The center is equipped with more than 100 latest configured computer system which are interconnected via high-speed LAN & Internet service. Through this, the students can do the research on Internet, prepare project reports, make power point presentations and can have hands on practice on various business and productivity software.

LANGUAGE LAB

The Language lab and appending multimedia content is intended to fulfill the required need for appropriate course material for teaching and learning English. The approach followed is highly flexible with significant emphasis on instructor as well as learner support.

PHARMACY LAB

The College has highly sophisticated Pharmacy laboratories, well equipped machine rooms & central instrumentation facility which satisfies the practical and research need of the students. It includes Pharmaceutics-I, Pharmaceutics II, HAP & Biotechnology Lab. In addition, there is a separate process quality control room.

SPORTS

The campus is having a big playground to play football, cricket, volleyball and badminton. As they say "All work and no play makes Jack a dull boy" so Sports plays a vital role in the growth of students. It helps in overall development of the students. The campus also has indoor games facilities for playing chess, carom, table tennis games.

GYMNASIUM

Regular exercise is a key essential to remain fit and healthy and good for boosting self-esteem and help in concentration, sleep, look and feel better. The campus has well equipped gymnasium for students where they can exercise during the free hours.

CONVEYANCE FACILITY

The GPS enabled, comfortable buses are available from key areas of Jaipur to pick and drop students & faculty members.

PEDAGOGY

TEACHING & LEARNING PROCESS

CONCEPTUALISATION

- Classroom Study
- Video Lectures
- Expert Lectures
- Demonstration-based learning

APPLIED

- Live Projects
- Power Point Presentations
- Case Studies
- Simulation & Modelling
- Academic Exchange with Top National and International B-Schools.

ANALYTICAL

- Questionnaires
- Research-based Projects
- Data Analysis
- Project Management
- Management Labs

PERSONAL GROWTH

FUN AND FRIENDSHIP

SPORTS & FITNESS

Poddar is committed to create a positive environment where every student enjoys and experiences the most memorable moments of college life.

From music and art shows to sports, workshops, club activities and more, there's always something exciting happening within the campus.

Manthan

- 4 Days of Extravaganza
- 11 Competitions
- 70+ National Colleges
- 1000+ Participants Nationwide
- Fashion Models
- Reality Show Stars
- Corporate Celebrations

A trip filled with fun, music, art, dance, drama and cookery, where around 3500 passengers (participants) come from all over the nation on a 4 day journey which has 11 competitions where great talents come to compete and celebrate the language of happiness. A dazzling display of costumes, aesthetic art, mesmerizing talents movements and energy - all translated into a fun ride.

Fashion Runway

The Fashion Runway is the biggest fashion event held annually at Poddar International College.

Miss World Australia 2017 Ms. Esma Voloder was a show stopper and Guest of Honour for the show this year. Dr. Satish Sikha and Mrs. Sravanthi Gotla also graced the event as special guests.

A day before the show, Panel Discussion with the guests and experts was hosted to generate awareness about the growing opportunities in the field of Designing. The session was hosted for the students who aspire to be in the designing field.

About Showstopper – Miss World Australia 2017 “Esma Voloder”

Esma was Miss Globe International 2014 grand winner and represented Australia at Miss Supranational 2013. In 2008, she was crowned Miss Teen Australia. However, she always prioritized education, and she eventually earned a degree in Psychology.

Themes

Sharing about the collections, students showcased their collection on - Block Prints of India and Indigo (Tie and Dye) Spring Season 2020 Collection.

The students of Design Department (PIC) were all set to bring fire on the Fashion Ramp. Everybody at campus was highly energized with their collection and was eager to show their potential as Upcoming Designers of the Industry.

WASTE TO WOW

an inter-collegiate competition

Poddar International College organizes a two day inter-collegiate competition “Waste to Wow” every year. The theme of the competition remains “Recycle for the lifecycle”. The main intent of organizing this workshop is to utilize the waste products and create something useful out of it. This event is open for all the streams and departments. The main emphasis of the event is to manage waste and other renewable sources of energy. The students participated enthusiastically in the competition and created products like clock, dummy house project, lamp, basket, decorative items etc.

This year, Judges of the competition were Ms Reena Bhatia, Ar Dhananjay Malhotra, Artist Swati Souls, and other prominent personalities. The students are felicitated by cash prizes and certificates.

SOOT ART

Soot or Charcoal is a form of dry art medium made of finely ground organic produced by eliminating the oxygen inside the material during the production process. During the workshop, the students were exposed to draw without using any color and bring out the 3D effect.

Conducted by – Mr. Vijay Kumawat

Wood cut print workshop

Interior Designing students selected their own design, and using the cutting tools carved and printed it on the woodblocks.

Conducted by- Mr. Ashish Kumawat

RANGAI (Textile Workshop)

Students learnt the basics of dyeing fabric using natural materials, including natural dye sources, how to extract colors, what mordants are, and how to use them to fix color.

Conducted by - Mr. Arvind Kumar

Button Masala Workshop

Button Masala - A sustainable and cost effective technique taught to construct garments without the use of any sewing equipment, machines or tools.

Conducted by - Mr. Anuj Sharma

Fashion Styling Workshop

This workshop was conducted to give insights into the glamorous world of Fashion Styling for Personal Styling, Wardrobe Makeovers, Celebrity Styling, Body Shapes, Image Consulting & other fields in styling.

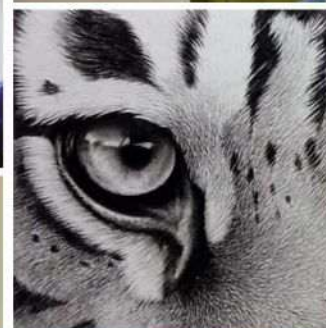

Conducted by - Mr. Dheeraj Sharma

Sculpture Making Workshop

This workshop taught students from the very basics of clay preparation, to creating features and concepts.

Conducted By - Mr. Shailesh Sharma

Design Workshops

Design PIXEL

An annual design showcase presenting students creative work.

Students Work

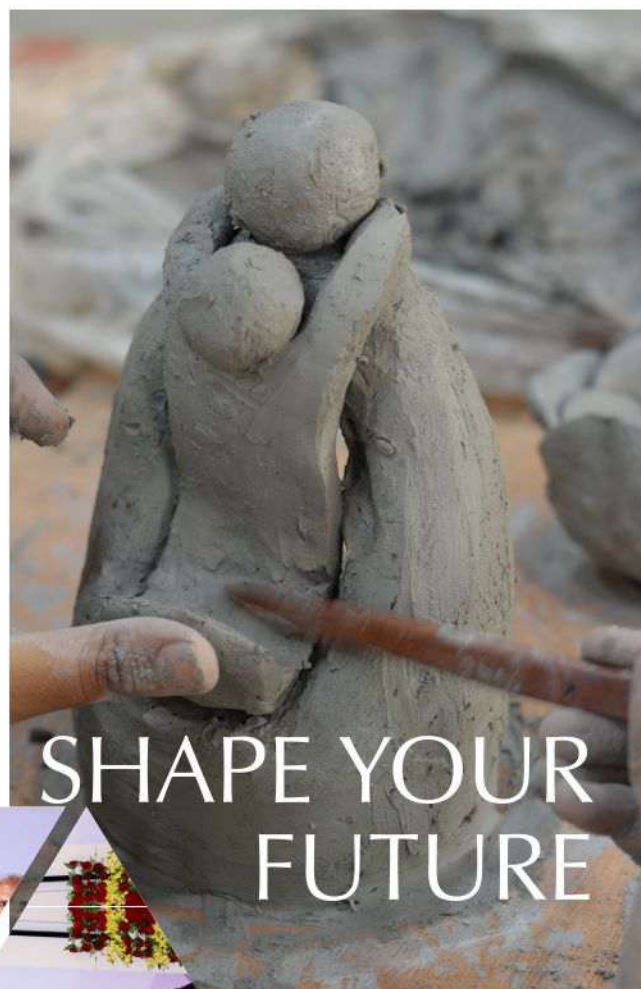

SURMAI CLUB

CULTURAL CELL

...Unlock Your Zeal & Exemplify

The Cultural Cell "Surmai" of Poddar Group of Institutions endeavors to promote an environment where students get to absorb best of cultural and traditional values for all round development of their personality. We provide them best of mentors to absorb moralities and traditions of our culture and help them develop winning traits in them – by taking part into various cultural inter and intra competitions held in different colleges. All activities in the cell are to inculcate in students the sense of pride and belonging to the alma mater. This always pays back when we see our students reflecting great values, team spirit, sportsmanship and camaraderie to the best of their ability.

Srajan

and is decorated with the glorious achievements of student who are nurtured here so that they can shine on the world map as stars.

"A person who gets appreciated will always do more than expected." An annual celebration dedicated to felicitate the super achievements and remarkable contribution of students and teachers. Institutions are not just made of brick and mortar; it is built by passionate and full of life faculties

- Eklavya prize for merit holders
- Arjuna prize for athletes
- Felicitation of artists
- Annual report / summary of long achievements

LITERARY & MANAGEMENT CLUB

Articulation, Sensitization by Leaps & Bounds....

Literary & Management club aims to develop logical and creative thinking skills. It also motivate the young minds to think out of the box and use their creativity in improving writing & communication skills, which make them more confident that somehow help them in their placement too. The club involves students in many activities such as Debates, Group Discussion, Poetry writing, Storytelling, Workshop on Communication Skill. Students also contribute many write ups for newsletter of the Institute where the best write up get awarded. The club also organizes many events like; Altius - Intercollegiate Annual Management Fest, Retail Expo etc. These events encourage good work of students by giving certificates, awards and cash rewards.

An intercollegiate annual management fest is two day extensive contest testing different skill sets and abilities of students. Creativity to social buzz, Ad-making to pitching business ideas, Endorsements to acquisition of resources, Photography with unique theme everything, it is fun and thrill packed ride. The only constant is change. Vision without action is merely a dream; Action without Vision just passes time, Vision with action can change the world.

Retail EXPO

When 50+ companies from different sectors like banking , automobile, media, real estate, retail and associated sectors gathered together and showcase their innovative offerings which benefited students, entrepreneurs, marketers and other stakeholders. This one-day event creates a mesmerizing exhibition to be hold.

Spandan

Alumni Meet & Degree Distribution Ceremony.
Memory Lane Back & Forth

The Alumni Cell is responsible for strengthening a life-long relationship between the Institute and its alumni. The Cell works to maintain a strong alumni association & connection which is essential to create a platform where all the alumnus as well as present students can get information & happenings about their college & establish a better network leading to the growth and development of our institute. Every year an Alumni meet “Spandan” is organized where the alumni interact with the management, current students and take part in various activities and contribute in development of its alma mater.

TECHNOTRACK

Technotrack, the annual tech-fest; enthralling 2-day extravaganza was jam-packed with plethora of exercises having 10+ events, about 2000 eyeballs (participants) across the world.

Technotrack served as a platform for students to transform their technical ideas into realities and enhance their technical acumen, where young techies and entrepreneurs get chance to be showstoppers in numerous contests. Students get to showcase their innovation and talents, and the best minds walk away with an enviable reward.

- 2 Days of Breathtaking Journey
- 10+ Techwars • 60+ National and International Colleges
- National and International Repute Personalities

LIST OF EVENTS

- Pokemon-war • Talk Show • Seminar
- Technical poster presentation • Hackathon
- Tech-quiz • Techxhibition • Online Gaming
- Smart Phone Film Festival

TRAINING & PLACEMENT

The Training & Placement Cell plays a crucial role in locating job opportunities for students which imbibes within aspirants to get transformed into market ready professionals. The cell also facilitates in enhancing specific skill sets as desired by different job roles. The cell bridges the gap between academia and industry aimed to ensure an accelerating career path.

To substantiate the same, the cell conducts and channelizes different activities:

PART TIME JOBS/ ON JOB TRAINING

Jobs available along with studies in companies like Vikalp, Alibaba-TDI, NSE, Pizza Hut, Oyo Rooms, e-shiksha, Airtel, Apex Hospitals, SRL Diagnostic, Alpha Marketing, etc.

JOB FAIRS / PLACEMENT DRIVES

More than 50 companies visited in job fairs each time for the student selections. On campus and off campus drives organized for the different sectors.

PRE JOB FAIR WORKSHOP

Sessions are taken by different Trainers for skill and personality development, Resume Making, How to Crack Interview.

ALUMNI INTERACTION SESSION

CORPORATE SESSIONS

INDUSTRY ACADEMIA CONNECT

PREPARATION FOR GOVT. SECTOR

Students are made to prepare for the Written exams based on Mathematical, Reasoning, English proficiency, followed by Group discussion and Interview preparations.

RESEARCH & DEVELOPMENT CELL

3 'R' POLICY FRAMEWORK
(REDISCOVER, REDEFINE AND REINFORCE)

The Research and Development Cell with a phenomenal blend of academicians, scientists, policy makers, NGO's, technocrats, entrepreneurs is stringently aiming to attain global heights in frontier domains of Science, Technology, Management, Humanities, and allied areas. Keeping abreast with latest technical-know-how and challenges faced by the society, the cell is keenly envisaging projects of societal relevance. The current scenario of educated job-less youth, motivational campaigns and research projects related to incubation, nurturing business ideas, entrepreneurship and startups is majorly sought. The cell aims to work on collaborative mode encompassing both Academia-Academia interface and Academia-Industrial alliance. Corporate Social Responsibility (CSR) is another area for which the cell is focused upon to build upon outreach and communication programs.

VISION : To establish sound infrastructure facilities/incubation centre and accelerator to pursue research and enable start-ups in frontier Key Research Areas (KRA) based on innovative and prospectively commercial aspect.

MISSION : Advancement of myriad aspects of KRA's and its application for societal benefit by creating a common platform for students, scientists, academicians, industrialists, policy makers to disseminate and inculcate research temper amongst diversified fraternities.

OBJECTIVES : Promoting inter-disciplinary research by increasing awareness and attractiveness of careers built on scientific knowledge and expertise, and highlighting the value of such skills and knowledge to health, sustainable economic development and social well-being.

To lay the concept of triple helix-Academia-Industry-Government inter face.

Major and Minor research projects are being implemented with the support of Government funding agencies like University Grants Commission (UGC), Department of Science and Technology (DST), Govt. of Rajasthan, Department of Biotechnology, Govt. of India, New Delhi, under the mentorship of senior faculties of Poddar Group.

RESEARCH PROJECTS

Major Research Projects DST, Government of Rajasthan

Zoology	Dr. Neha Sharma	Biotechnology Business Incubator
Botany	Dr. Poonam Dhawan	Reduce the abiotic stress by endangered medicinal plant (<i>Leptadenia Reticulata</i>) with the colonization of arbuscular mycorrhiza
Chemistry	Dr. Meenu Mangal	Design and synthesis of novel bioactive heterocyclic special reference to indole derivatives via phase transfer catalysis

Minor Research Projects University Grants Commission (UGC)

Zoology	Dr. Praveen Goswami	Antibacterial activity of <i>Ocimum sanctum</i> Linn. and its role in water purification
Chemistry	Dr. Meenu Mangal	Synthesis of novel indolyl-pyrimidine anti-inflammatory and antibacterial agents
Chemistry	Dr. Girija Shankar Tailor	Estimation of physico-chemical parameters of ground water and waste water of different areas of Jaipur City and adjacent localities of Amanishah nalla
Botany	Dr. Anita Joshi	In vitro phytochemical studies of <i>Boerhaavia diffusa</i> L. and its role as medicinally potent plant
Botany	Dr. Poonam Dhawan	In vitro propagation as available conservation strategy <i>Commiphora wightii</i> (Arnott) an endangered medicinally important desert tree, India and its phytochemical screening
Zoology	Ms. Shilpi Damor	Isolation and biochemical potential of phosphate solubilization bacteria isolated from soil and their role in plant
Management	Dr. Sunil Kakkar	Impact of original retail on unorganized Retail in Rajasthan
Management	Dr. Hemant Verma	A research study about reality of slogan inclusive growth
Botany	Dr. Poonam Dhawan	Study of <i>Sonamukhi</i> (<i>Cassia angustifolia</i>) in Western part of Rajasthan for economic growth of farmers

Student Projects through DST, Govt. of Rajasthan

Zoology	Dr. Praveen Goswami	Antibacterial property of different medicinal plant <i>Ocimum sanctum</i> , <i>Cinnamomum zeylancium</i> and <i>Xanthoxylum armatum</i>
Zoology	Dr. Praveen Goswami	Effect of Cinnamon on glucose and lipid parameters in healthy rats
Chemistry	Dr. Meenu Mangal	Synthesis and antimicrobial studies of indole pyrimidines
Chemistry	Dr. Meenu Mangal	Synthesis of bioactive indole-3-yl-glyoxyamide derivatives (bisarylidine/heteroarylidine indoles)
Chemistry	Dr. Meenu Mangal	Synthesis of bioactive indolyl B-Lactams
Zoology	Dr. Neha Sharma	Bioprospecting of Dairy Waste Water for Nitrate Reduction
Botany	Dr. Poonam Dhawan	Synthesis of silver nanoparticles using extract of neem leaf and triphala and evaluation of their antimicrobial activity
Botany	Dr. Poonam Dhawan	In vitro multiplication and phytochemical screening in <i>Cymopsis tetragonoloba</i>
Physics	Dr. Narendra Agarwal	A Noble approach for fabrication of Ag and Al nanoparticles through ultra-sonic dissociation of thermal evaporation deposited thin films for promoting clinical application as polymer nanocomposite
Physics	Dr. Narendra Agarwal	Fabrication of UV based filters using surface Plasmon phenomena of Ag-PMMA Nanocomposite films for promising laser applications

ENTREPRENEURSHIP CELL (EUREKA)

A GATEWAY TO SELF SUSTENANCE

The ED Cell has ignited the spirit of entrepreneurship amongst the students at PODDAR.

EUREKA is strived to build a strong platform for our budding entrepreneurs. It also assist students with mentoring, planning, execution and commercial viability of their ideas. For this purpose, Society for Sustainable Eco-friendly Solutions has been established to cater to Biotechnology based business solutions; with support from Department of Science & Technology, Govt. of Rajasthan, Jaipur.

- Idea Pitching By CA Paresh Gupta
- Seminar ON "Follow your Passion"

PODDARPRENEURS

While studying in Poddar Group I got inspiration to become an entrepreneur. Students studying in this group are in the right direction. Good luck to the students and best of luck to Poddar.

“ While studying in Poddar Group I got inspiration to become an entrepreneur. Students studying in this group are in the right direction. Good luck to the students and best of luck to Poddar.

DILIP SHARMA, B.Com. (2015-18)
CO-FOUNDER (TEA ON CALL)

“ I love the helping nature of teachers. I have gained exposure through out my academic path. It has been a wonderful journey which definitely helped me in establishing my venture.

DEVESH KAYAL, MBA (2015-17)
DIRECTOR (Vinayaka FMCG)

“ My life has been completely transformed after being a part of Poddar family. I have only three words for my college and I can proudly say that, "Hum Hain Poddarites"

TARUN BAINLE, M.Sc. (Biochemistry)
DIRECTOR (INVITRO)

“IF OPPORTUNITY DOESN'T KNOCK BUILD A DOOR.”

- Milton Berle

NSS (Samarpan)

'Not Me but You', we incorporate values in the next generation who shoulder the responsibility to give back to the society which nurture them from the seed to a full grown plant with love, care and support. The NSS Cell with academicians, social activists and student volunteers of the college works on social activities like ...

- Swacch Bharat Abhiyaan
- Tree Plantation Campaign
- Road Safety Awareness Campaign
- Blood Donation Camp
- Social message through Nukkad Natak (Street Plays)
- Say NO to Plastic Campaign
- Beti Bachao Beti Padoo Campaign
- Organ Donation Campaign
- Anti-Smoking Campaign

Women Cell

The women cell undertakes various awareness programs for women safety, security and hygiene to safeguard the interest of women employees and students in the organization.

Sports Cell (Royal)

'Not me but You'. We incorporate values in the next generation who shoulder the responsibility to give back to the society which nurture them from the seed to a full grown plant with love, care and support. The NSS Cell with Academicians, social activists and student volunteers of the college works on social activities like cleanliness drives, plantation program, road safety program, blood donation program, Help Poor, Help Birds etc. The volunteers also organize awareness programs through nukkad natak like Beti Bachao Beti Padoo Campaign, Organ Donation Campaign, and anti-smoking Campaign etc.

Anti Ragging Cell

The ragging is strictly prohibited in the college. The main function of the cell is to take cognizance of any breach of discipline and suggest immediate disciplinary action in such cases and to implement and coordinate anti-ragging measures.

IQAC

An Internal Quality Assurance Cell (IQAC) is established to design and develop the system which helps the institution to improve overall quality in delivering education. The main objective of the cell is to promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

Unnat Bharat Abhiyan:

Poddar International College has been selected under Unnat Bharat Abhiyan programme of MHRD under Centre for Rural Development Technology, IIT Delhi. The idea is to identify the priority issues and formulate the development plan for Gram Panchayats and to conduct awareness camps, plantation drive etc. in the adopted villages.

Mr. Aryan Mahapatra - National Head, Academic Relations - CIMA, UK

Ms. Aditi Gupta - Regional Representative, Academic Relations - CIMA, UK.

One Week National Workshop on "Business Research and Analytics"

Dr. Sanjiv Mittal, Professor, IPS, Delhi, Dr. R. K. Sharma, Professor, BVIMR, Delhi, Dr. Sunil Budhiraja, LPU, Punjab, Dr. Manoj Diwakar, Jawahar Lal University, Delhi & Dr. Sunil Kakkar, Jaipur,

NATIONAL & INTERNATIONAL LINKAGES & MEMBERSHIP

We strongly believe in making our students industry ready. With so much of competition around, it is extremely important that the students are able to align their degree with the industry requirement. It is of utmost importance that the students equip themselves with skill sets that give a value-add to their qualification and hence make them competent in the workplace. We are focusing on the Industry-Academia interaction to make our student's skill sets industry relevant. We constantly invite industry and MNC's to our campus for interacting with our students and share their experiences and industry knowledge with them, which help in molding the students, giving them a focus, and offer them a sneak peek into high-tech corporate corridors and practical lessons in managerial skills. At Poddar Group of Institute we look at it through an inclusive approach where we have made industrial training, internships as part of our curriculum for the students to gain experience, develop skills, make connections, strengthen their resumes and assess their interests and abilities.

International linkages play an important role in internationalizing the campus and are designed to provide an opportunity to Poddar Group of Institute's students to get a global exposure as well as facilitate foreign students to get exposure of our country. These linkages & memberships enable students to understand each other's culture & practices. The International linkages are greatly valued by faculty and students alike and are built on strong and enduring relationship that allows partner institute to share and learn from each other. Poddar International college has linkages with a number of globally renowned business Institutes and other international bodies:

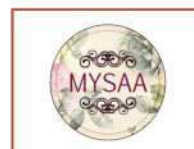

The chartered Institute of Management Accountants, founded in 1919, is the world's leading and largest professional body of management accountants, with 1,83,000 members and students operating in 176 countries, working at the heart of business.

Pearson Education is a British-owned education publishing and assessment service to school and corporations, as well as directly to students. It provides a range of education products and service to institutions, governments and direct to individual learners.

Poddar Group of Institutions has entered into an MoU with College De Paris, France. The purpose of this MoU is to offer Integrated programs where a student will be able to earn dual degrees in 4 years of span. UG from India and MBA from France.

Poddar gives a great opportunity to broaden my knowledge beyond the field of academics within a multi cultural environment. The friendly attitude of professors & their willingness to always provide a support system has made me feel a part of Poddar.

Deepanshu Mittal (Marketing Executive)
Poddar Group Of Institutions, B.COM (2016-2019)

The student environment in the college is vibrant, fun-filled yet focussed towards self-realisation, achievement and success. This has been "THE BEST INSTITUTION" for my growth as a Personality. I love the college and every part of it. I am thankful to our Principal, teachers and staff for making this an 'AWESOME EXPERIENCE'.

Lavina Khatri
Indigo Airlines Cabin Crew Member

The skills I have gained through my graduate studies at PODDAR have equipped me to accomplish my professional goals. I am pleased to say that with the support of Faculty.

Arun Nehra
(Sub Inspector) CISF

Just right after BBA 2011 examination, I have got an opportunity to work with one of the prominent investment banking organisations i.e. Deutsche Bank Group & my association with DB was around 5.5 years (proudly the first BBA student from Poddar). I got aligned to Business Management team and was responsible for various strategic projects (Cost reduction, streamlining MIS reports & etc.). After a couple of years, senior management started recognising my efforts and gave me an opportunity of short term assignment in Frankfurt Germany (HQ). My role in DB was quite flexible hence I touched base upon many aspects of Investment Banking (KYC reporting, Financial Planning & Analysis, Trade settlements & Project Management). Also got recognised as Presentation Trainer across Jaipur DB site. After the learnings of more than 5 years in the same organisation I realised I should explore myself more & embrace my career so I decided to relocate to Bangalore and started working with HSBC (Investment Banking Team) and got the opportunity to travel London for a project.

Current Profile: Manager
Current Package: 15Lac pa
About Poddar: 'My College inspired me to think differently. It's like no other time in my life'.

Mohit Pareek, (HSBC)
Investment Banking Team, Manager, Bangalore

Choosing to study at PODDAR has easily been one of the best decisions of my life. The faculties available are second to none and has given me a whole new perspective towards different aspects of business. There is limitless support offered by both the faculty and the administration to make our here a memorable one.

Vishal Sharma (Manager Accounts) Perto India Pvt Ltd.

College is a journey unlike any other - beautiful, exciting and exhausting, unique, happy and horrendous, charming and cute, lovely and lonely.... I miss those college days and cherish them too.

Dinesh Singh Shekhawat
(Branch- Coordinator)
Globe International Carriers Ltd, Jaipur

Overall, my college experience was life changing. Attending college for last three years gave me an enthusiasm and opportunities to become more independent. College days are the golden phase of life under which I had so many opportunities to enhance myself.

In the end just want to say "There is time and place for everything. We call it college" Thank you PODDAR.

Preeti Nandani
(B.Com)

GOLDEN WORDS FROM STAR STUDENTS

The System here beckons me to think out of the box and apply theory to the very current issues facing the corporate arena. The faculties over here are really talented, supportive, motivating and friendly.

I got really good placement opportunities with top MNCs. The college has its own way of updating students for their incredible growth.

Shivani Sharma
(B.Com Part III)

Poddar College was a directional way of my life. I was really inspired by Anand Poddar Sir who gave me best advice as a Mentor. Poddar Group is a platform for development in all over areas. He advised me to respect your work always, no work is small that's why I choose CRPF to save my country.

GD Ramchandra Singh Bajja,
CRPF (GD Constable).

It's been a matter of pride and honor being a part of this esteemed institution as a student. It has played a vital role in my life being an alumnus. It's worth mentioning here that our faculties and their teaching skills were innovative and connective with students.

I pray and wish good speed and luck to all students, its staff and admin team of college along with warm thanks for shaping me up.

Fortune Favors The Brave!
Siddharth Rawat (Intelligence Officer) Reliance Industries Limited

It is always a proud moment in the life at Poddar International College Jaipur. The pleasant memories of my degree are still fresh in my mind. I vividly remember the enthusiasm of the classmates during lecture, the dedication of the staff and the zeal of the experiments at laboratories. I will always be very thankful to my teachers for guiding me.

Jitendra Mittal, M.Sc. Biotechnology
JR. (Application Officer) Water Corp. India

It is honourable to say that I belonged to the College "Poddar International College" which has given me abundant opportunity to explore my self over the stage with cultural activities as well as off the stage. In academic subjects, The experience was amazing and with my all teachers. It became more interesting. I always be thankful to My College for all such opportunities.

Anjali Maheshwari (B.Com)

My overall experience with PODDAR very positive. My college experience is structured in a way that it gave me more freedom and control over what I have to do. My future holds no limits and I consider PGI to be a great institution that can fuel my potential.

Pushpendra Singh (Development Officer)
SBI Life Insurance

Poddar College has completely transformed my personality and has given wings to my dreams. I owe my success to my faculty members, my mentors in the College and my parents who made the right decision to choose this College for me. In Poddar, faculty members identify the capabilities and talents of the students and polish them with their expertise, making students corporate ready.

Sunil Saini
Choreographer, Mumbai.

This college is very best in education all staff members are honest and are very hardworking they taught how to achieve goal in life, beside teaching other activities also organise by college also like games, seminar, conference, workshop, exhibitions, placements and industrial visit etc. Poddar ties are supportive by nature in all areas. I really thank to my all teachers who helped me to achieve my goal.

Jyoti Birman
Third Grade Teacher At Govt. School Udaipur, Rajasthan

Dear Poddar International college, Jaipur Thank You being healthy environment where I can learn and be challenged. You actually provide fun classes where I can explore my passions more. You brought professors into my life that I can have great conversations with and meet with outside of class. You brought real life experiences where I can put my passions into practice. Thank you for being my own little community. I love walking around campus and knowing this is like my mini home within my own mini neighbourhood. I love seeing all kinds of friends as I go from one building to the next and I love you give us a place to all eat together its like an ongoing party. Thank you for the schedule you provide and breaks you so generously offer.

Shubham Jain, B.Sc. (Bio.) 2015-18 qualified IIT JAM Chemistry AIR-598 Rank

A new college a new environment; but did not feel like a stranger even for a day. Poddar gave me all the warmth I could ask for: good teachers, good friends and a place where I could grow and prove myself, a new learning everyday and this really helped in bringing the best out of me. I always feel proud to be a Poddarite.

Sumit Sharma (TSM) Indusind Bank, Jaipur

All three years were golden days that I would cherish throughout of my life because it gave me so many friends and best teachers. And the moments with them will last lifetime. After coming to this campus only I came to know so many hidden qualities about me. Thank you PODDAR. **Sonali Singh** (customer Service Agent) Spice Jet Limited

I succeeded in joining Poddar International college and had to plan my career route. It was a difficult process and I had to be honest with myself and make some tough decisions. I chose Chemistry subjects that I enjoyed or wanted to try Teaching. I was inspired by my PIC hers and changed my career path from industrial to Teaching. I went on to gain a degree in chemistry, followed by my postgraduate qualification. It has been important to me to be able to teach and to give back some of the support that I was given when I was younger.

teac

I now do teaching at Govt. School Lucknow UP. I would like to take this opportunity to thank all the members of staff who worked hard to help me believe and achieve. To me, PIC is an amazing place that believes in its students, equal opportunity for every student and can help any student achieve success.

Manisha Sharma, M.Sc. Chemistry (2013-15). First Grade Teacher At Govt. School Lucknow Uttarpradesh.

"I can positively say Poddar College has made me a better person. It has helped me develop a positive attitude towards my studies and discover more about myself. Teachers are very caring and interested in students' well-being. They make sure every class is fun, educational and active."

Experience at Poddar International College has been one of its kind and enriching throughout my time in College. The environment in Poddar helps in building knowledge and developing an overall personality. In today's competitive world, Poddar helped me to be the best in my field. The College is the foundation of a good education and is a place to boost one's career profile.

ever

Sanjay Sharma, B.A. (2009-2012)
Team leader, Ashok Leyland, Jaipur

it's wonderful to share my experience of being with poddar group. I did B.Sc. From the poddar international college. The priceless knowledge that I got in poddar college is my biggest achievement. The environment of college really helped me to reinventing my self. All this could be because of the motivation and guidance given by my all faculties. I really thankful to all my gurus and poddar group members who helped me.

happ

Mehul Panchal, B.Sc. (2015-2018), Qualified IIT JAM Exam 2018 AIR-49

Thanks to PMTC, the faculty has always been supportive and inspiring guides and challenging taskmasters. The peer group at PMTC was intellectually stimulating and with some, I have made friends for life....

Dipesh, MBA, (Relationship Officer) American Express India Pvt. Ltd

I would cherish the days of belongingness with "Poddar International College". It was a journey which has enhanced my personality and groomed me at many phases. I got a disciplined environment and learnt a lot from the faculties here. They were very supportive encouraged us to grow up in our lives in all ways. It is extremely overwhelming to have lived in such a friendly ambience.

and

Mona Bhararia,
B.Sc. 2015-18, IIT JAM Math 2018: AIR-13

My Experience with PODDAR was wonderful. I am students of graduation till masters, my overall journey changed my personality. I learned, played, participated many things here. Glad to be a part of this organization.

curre

I got placed via campus placement and ntlly pursuing my working with INFOSYS, great exposure, college provide us opportunity to carve & prove our capabilities organization. Thank you my all Faculty members, & my all friends.

Manita Choudhary, MBA 2016-2018

Studying at Poddar College has been one of the best decisions I have made. It has been unforgettable. I am growing up as an individual as well as learning to interact and talk to people from different backgrounds. I enjoy the caring and friendly environment, great facilities, and the ty of services offered. The standards are very high, which always made me feel well supported."

varie

Jitendra Kumar Yadav,
Assistant Commandant, Govt. of India, New Delhi.
M.Sc Biotech (2008-2010)

The College offers a fantastic academic environment, seminars, interdisciplinary initiatives, as well as a remarkable library facility. For these reasons, I would heartily recommend Poddar College to other students. I would encourage them to enjoy and exploit the trainings, nars, academic expertise, and social networking to the full.

semi

Rashi Sharma, Business Analyst-IT

LoadInfotech Pvt. Ltd., Associated to HONDA

I am extremely grateful for expressing my gratitude towards the college as it gave me the platform to strat my career and pursue the path I was looking for. According to me, hard work and sincerity are the tools of your success. Once you are determined to do anything in your life, no one can stop you from touching heights; only sky is the limit then. At the end, I woulf like to thank all the teachers and staff memvrs for their support whenever I needed. GOOD LUCK.

you

Himani Jain, B.Com (Civil Judge) RJS

I really Feel Proud I connected with poddar group. It given proper direction of my career. Today I am working as a first grade teacher in Govt. School. It does not happened without support of Poddar Group and Dr. Meenu Mangal Madam. Thanks Poddar Group for giving direction to my life.

Sheesh Ram Meena, M.Sc. Chemistry 2011-13,
First Grade Teacher in Govt. School.

My college days are unforgettable and in fact those days are the happiest days in my life. I am enjoying myself a lot in Poddar Group of Institution. I have learned a lot from my Faculties. Whenever I was wrong they corrected me, they used to be very friendly with me. They were very ortive and encouraged us in all things to grow up in our life.

supp

Shailendra Singh Rajput

I AM PRAFFUL SAXENA, have been working with Locus Rags since December 2017. Completing academic assignments was a daunting task for me. The way of presentation and communication that I learnt from PMTC has been a major advantage to adopt corporate re. I would like to thank Poddar College for improving communication skills.

cultu

Poddar international college is an excellent institution of higher learning enriching its students with very practical insights relative to the theoretical knowledge provided here. The faculty and management have been very supportive, nourishing the students with industrial knowledge and also getting them placed in fulfilling job positions in the industry. Poddar college educates students in a very creative way and encourages them to think out of the box. The school not only helped me to excel in the academic areas, but also taught me a lot about different cultures and how to appreciate them.

Ashutosh Choubisa, Software Engineer, Dell, Jaipur, BCA (2011-14)

Master program at Poddar international college enormously contributed to both my career vision and opportunities. Very cooperative and supportive faculty and good infrastructure. My life at College made me stronger and took me a step ahead for being an independent women. I am thankful to all the teachers who support me and helped me in making a brighter carrer.

Poonam Menaria, M.Sc Chemistry
(Production planner) Hindustan zinc ltd, Vedanta resources plc

Overall college experience was incredible. Attending college for the first time was a great experience for me. College learnings gave me an opportunity to become more independent and to take on new responsibilities. My college experience is a perfect blend of joy and learning's. I different people, learnt about the college cultures also I learnt how to interact with different people, how to judge behavior.

RULES & REGULATIONS

PODDAR SCHOLARSHIP SCHEME

Poddar Group of Institutions has always moved forward with the basic objective of achieving excellence in education and motivating deserving, meritorious & bright students through providing them with appropriate educational scholarships. Girl child education is also promoted by providing them special scholarship.

The Institutional Scholarship scheme is as below:

COURSES	SCHOLARSHIP TO BOY STUDENTS	SCHOLARSHIP TO GIRL STUDENTS
BBA/ BCA/ B.A./B.COM./B.SC.	70% or above marks achievers in XII, 10% Tuition fee waiver is given in I, II & III Year of Graduation	For all girls, 20% Tuition fee waiver is given in I, II & III Year of Graduation
B.Design/ B.Voc./ M.Voc./ Diploma in Design	For all boys, 10% Tuition fee waiver is given in all years of study	For all girls, 20% Tuition fee waiver is given in all years of study

Scholarship to class toppers: Scholarships are granted to first three toppers every year in each class as per college policy.

Conditions for Institutional scholarship:

- Scholarship is applicable on tuition fee & for graduation courses only.
- Regularity, attendance percentage & discipline will be taken into consideration for granting scholarship. If student is involved in any in-disciplinary act, scholarship will be lapsed.

Government Scholarships: All eligible students can apply for government scholarships as per the government policies. Scholarships to SC/ ST/OBC-BPL/meritorious students are granted by Social Justice and Empowerment Department/ other schemes on yearly basis as per Government policies.

Fees Policy: College fee can be paid lump sum & in installments too. In case of one time deposition, some fee relaxation is given as per the norms. Installments are payable as per the payment schedule given to student at the time of admission. Late fine is applicable on late depositions.

Fees Refund Policy: Poddar International College & Poddar Management and Technical Campus follow UGC Guidelines for the fee refund after admission cancellation.

Attendance: All the students should have minimum 75% Attendance as per the University Regulation without which they may not be allowed to appear at the University Examination.

Discipline:

- Use of mobile phones in the campus is strictly prohibited. Frequent violations may lead to its confiscation.
- Early departures from the campus are not allowed without permission.
- If there is any loss/damage done by the student to the college infrastructure, Hostel, Library, Computer or equivalents due to carelessness, the concerned candidate will have to pay penalty for the damages.

Uniform: Students shall be allowed in the college premises in prescribed uniform/ dress code.

Ragging: Ragging is strictly prohibited in & outside the college campus. As per the Supreme Court and UGC Act 1956 on ragging, any student found to involve in ragging shall be liable for the following disciplinary action:

- The college shall have the right to cancel the admission or to rusticate.
- FIR may be lodged against the culprit.
- There may be a lifetime ban on the admission of the student.
- An affidavit to this effect shall be submitted by the student.

Admission Rules:

1. As per college education guidelines, college holds right to reject admission of student in following cases:
 - If fee is not deposited on or within the given date or time.
 - If any student has given any wrong information in the form or incomplete registration form is submitted.
 - If candidate does not possess the required qualification as per the University rules.
 - If any student is accused for any misconduct/ misbehavior in past/ punished for using unfair means in any past examination/ accused for violence or misconduct or any case is pending in court.
 - If student uses foul language for any faculty/staff member.
2. All admissions will be provisional till all required documents are submitted, and eligibility is approved by University. The college shall not be responsible in case the admission is rejected due to what so ever reasons by the concerned University.
3. Admission to PGI is the right of college management. PGI may refuse admission to any student if seat/ subject are not available.

All disputes are subject to Jaipur Jurisdiction only
